# BRATS CARNIVAL

PRODUCTION:  
**JEALOUSSS**

BY BRIEFS FACTORY

# **BURLESQUE CABARET DRAG**

## SHOW DESCRIPTION

In a world where envy is often whispered about in dark corners, JEALOUSSS dares you to step into the spotlight and revel in it. Are you ready to spiral upward into the thrill of insecurities? Could jealousy, that notorious relationship saboteur, actually be something to celebrate? The real question is—are you above jealousy, or does it have a hold on you? Bold, unashamed, and with every sense heightened, Briefs Factory is poised to set the stage ablaze with a storm of scandal, skill, and sheer sass. It's a chaotic concoction of the bizarre and the spectacular—a variety hour where every minute brims with jaw-dropping potential and every act defies the laws of gravity. A sensory overload that flirts with the boundaries of modern cabaret, only to shatter them completely. JEALOUSSS is the unexpected—where circus collides with drag in a gloriously provocative dance, and burlesque dares to redefine itself in every act. Let JEALOUSSS be your gateway to a universe where jealousy is not a curse but a sinfully delightful indulgence.
