SUPPORT CAN LOOK DIFFERENT FOR EVERY ARTIST & PROJECT

Support might look like a one-off phone call, long-term mentorship, 3 month project-based, group workshop or PD session - so let's set a goal.

WE WORK FOR YOU

Our objective is to support career development and capacity building for artists, while increasing the number of locally-delivered arts & culture experiences.

Don't be afraid to reach out and ask for what you need.

**“Success is liking yourself,
liking what you do,
and liking how you do it.”**
