# BRAND OVERVIEW

**Target audience: 3–8 yrs**

**A musical early-learning puppet show that encourages children to embrace healthy eating and mindful habits in a fun, engaging way. Through catchy songs and lovable characters, we aim to make learning about health both exciting and memorable for young audiences.**

**spuddy  
and  
scout**

# WHAT WE OFFER

**QUOTES  
PROVIDED  
UPON INQUIRY**

## LIVE EXPERIENCE SHOW

**Spuddy and Scoot 'Live' is a jam-packed 20 minute Interactive Experience full of singing, dancing and magic on stage with Jess, Spuddy & Scoot as they learn about the goodness of fruits and vegetables and the superpowers within them.**

## MEET & GREET

**Get up close and personal with Jess, Spuddy and Scoot. Come say hi and get your photo taken with us! All guests receive a 'Spuddy & Scoot' sticker!**

## PUPPET WORKSHOPS

**Learn not only where Spuddy comes from, but how he is operated! Step into the world and imagination of puppetry and create your very own puppet friend with us!**

# Live Experience show

## REQUIREMENTS

**Minimum performance space of 3m wide x 3m deep with masking behind the stage.**

**2 x Radio headset mics – DPA 4066F or similar, with wind socks if outside.**

**Good quality audio system, evenly dispersed, front fill as required. Foldback speakers are required. Audio console to have a minimum 6 input.**

**Lighting (if required by venue) – open white front general wash with coloured backlight preferred.**

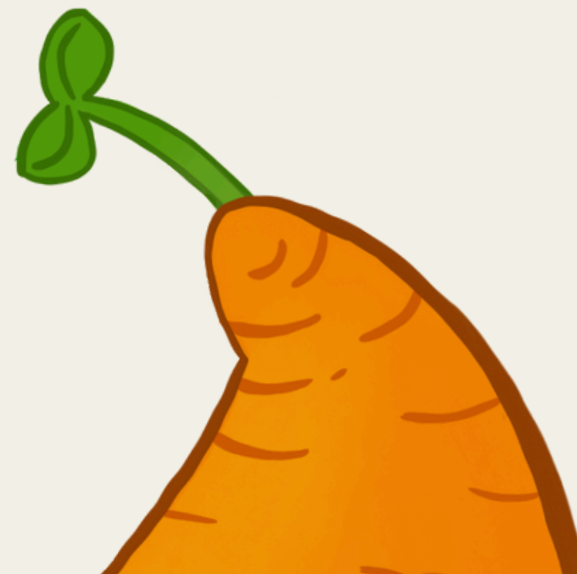

# Meet & Greet

## Requirements:

**Door way width space  
at front of stage for  
our Meet & Greet  
banner**

**The fun continues after  
the show with Meet & Greets!  
Children can high-five with  
the cast, tell Spuddy a joke,  
and snap some unforgettable  
photos! It's the berry best way  
to end a Spud-tacular day.**

**All Meet & Greet guests  
take home this sticker:**

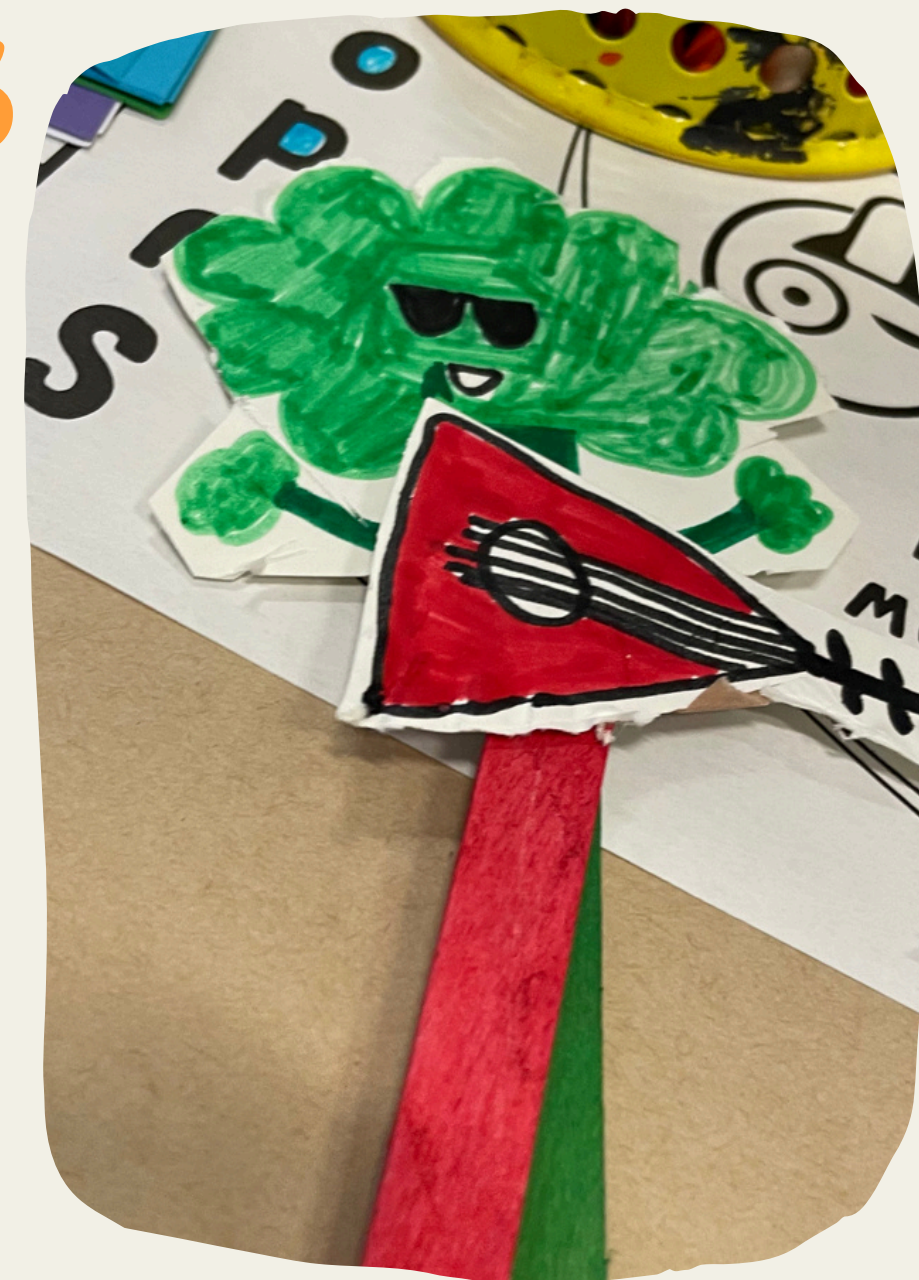

# Puppet workshops

**Unlock the magic of puppet play! It's not just fun—it's a powerhouse for helping kids grow! Through puppet play, children build their language, social, and emotional skills while boosting creativity and motor abilities. It's a world of imagination that sparks learning in the most engaging way!**

**Requirements:  
Children friendly table  
and preferably chairs  
to sit at.**

## **ABOUT CREATOR, JESS GOLLÉ**

Jess graduated from QUT's Bachelor of Entertainment Industries in 2019 with Distinction and has a seasoned resume including Character Performer for Walt Disney Company (Tokyo Disneyland) and Australian Theme Parks: Village Roadshow and Dreamworld. Soon after, Jess became a Production Assistant, Show Host and Puppeteer performer for HVK Productions, Big Blue Productions, Andrew Kay and Associates (Bluey Live and Bluey's Big Play). Jess performed and managed the Bluey Live Experiences nationally while also performing in Bluey's Big Play's Australian National Tour, North American National Tour, Singapore National Tour and Abu Dhabi National Tour. Alongside, Jess was also part of the Starlight Children's Foundation as a Captain Starlight in the Queensland Children's Hospital. As of 2024, Jess stepped into the role of Experience Manager at Bluey's World: a world-first immersive experience that takes you into the Heeler family's iconic Queenslander home, backyard and beyond. Jess is beyond excited to combine her extensive experiences as a performer and facilitator of Early learning entertainment and share her own creation in the brand new live show 'Spuddy and Scoot': a musical early-learning puppet show encouraging healthy eating and mindful habits for the young and young at heart.

Thank you

and have a

Spud-tacular day!
